**Ascentis Names HRMS Solutions "Partner of the Year" for the Second Consecutive Year**

**Seattle, Wash.** - Ascentis Corporation, makers of Ascentis HR & Payroll, announced today for the second year in a row that HRMS Solutions, Inc. was named Ascentis Business Partner of the Year for achieving top producer status in 2007.

"We really appreciate this honor and know that it was our clients that allowed us to achieve this award for a second year, says Mike Maiorino, founder and president, HRMS Solutions, Inc. Helping our clients find, select, configure, train and deploy the right HRIS solution is the core behind what we do. As a result, we have had incredible success bringing the right solution to solve the right set of requirements to our clients. Ascentis HR will continue to be a solution we offer our clients to achieve their workforce management objectives."

"Great partners are the key to our success. HRMS Solutions continues to provide our shared clients with quality, personalized solutions and exceptional customer service," said Kristen Hayer, director of sales and marketing, Ascentis Corporation. "Ascentis is proud to count HRMS Solutions as our top partner, and we are looking forward to working with their team in 2008."

HRMS Solutions has leveraged the experience of their Ascentis-certified consultants to deliver results to a vast user community that spans 34 states, the District of Columbia, and the Caribbean. "Our professional services team did an exceptional job yet again this year by providing top level consulting when called upon and deploying the HROffice solution to our customer base across all industries" says Mario Orellana, vice president of professional services for HRMS Solutions Inc.
